SHALOM

Greetings Friend in the name of our Lord & King
Yeshua HaMashiach aka Jesus Christ,

We are grateful for your interest in learning how you can share your S.P.A.R.K.S. to set the world on fire for the Glory of God in people's workplaces, marketplaces, and beyond.

This guide serves three purposes. First, we want our community members to be spotlighted on what they're doing to bring reformation to their mountain of influence and have a guide to share with their ideal who.

Second, we want our guests on our Heavenpreneurs on Fire Podcast Show to have a guide to give to the audience and have a way to be in touch with our guests.

Third, the purpose of this guide is to give you the way the format we will be following, when we do our interviews with our community members and our guest podcasters.

So now let's get into what S.P.A.R.K.S. means to us and how we can set the world on fire for the Glory of God together.

SUBJECT

S is for a subject.

Name (Wendy Twine) | Profession: #Heavenpreneur
Industry Category: #Business #Training |
7 Mountain: #7MBusiness, | Subject/Topic:
#Marketing

Subject: We're Looking for Heaven's Kingdom
Reformers & Transformers

In this area we want you to share your subject
matter and why it's important.

This is where we would like you to share what 7
Mountain of Influence in society you're primarily
serving to bring reformation and transformation.
(i.e. the business mountain: Businesses creating a
standard for equal weights and measures in their
industry and commerce, so ALL may prosper.)

And, this is the section you share a paragraph of
"What is" the current state of your (7M) subject
matter and "What it should be" according to
Heaven's view and God's word, will, and way(s).

Plus, We will use no more than five hashtags in
our guide, for people looking for your Kingdom
resources.

PARABLE

P is for parable. This is where we would like you to think about three primary parts when telling your personal story.

The first part is the "Likeable Hero." This is where you're the guide. You can think of Elijah and Elisha in the Bible.

Elijah was the prophet (mentor/guide) and Elisha was the servant (mentoree/student). Elisha learned to tap into his superpower because of Elijah's guidance. You may think of yourself at times as the Hero but your ideal customers/listeners, etc. are the Hero and are looking for your guidance in your story.

The second part is where you have "Encountered Roadblocks." This is where you have had frustrations, struggles, resistance, etc. This is where you will begin to share how you knew there must be more. There had to be a better way, and how your eyes began to be opened to seek higher wisdom and revelation from Heaven above.

The third part is where you're having areas of "Emerges Transformed." You'll guide the listener/reader into your journey of discovery and how you and they too can have transformation.

ACTION

A is for action. What action steps are you taking to be in alignment with Heaven's assignment?

This could be a brief step-by-step bird's eye view of what would be necessary to begin to turn the tide or change the direction to bring transformation according to God's word, will, and ways.

Types of questions you may want to consider sharing with our audience that is needed to change their mountain of influence:

- Who are the people in need of what you carry to transform their situation?
- Where do they hang out?
- What areas need to look like Heaven's Kingdom? What solutions, strategies, structures, or systems can you offer to bring Heaven's Kingdom?
- What laws, customs, or territories will you need to conquer to reflect more of Heaven?
- What mindsets need altering with God's word, will, and ways to bring Heaven's victory?

Psalms 2:8, "Ask of me, and I will give you the nations as your inheritance, the ends of the earth as your possession."

RESULTS

R is for results. This is an area where you share the results you were able to receive when you took the necessary steps of action to apply Heaven's revelation and transformation to this mountain of influence and what can people gain as well.

1. What does Freedom look like?
2. What are people able to do or have a year from now that they can't do or have today?
3. What does a day in their life look like?
4. How has their life transformed by what they have learned from you?
5. What was the specific result you wanted them to achieve?

Mark 11:24, "Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours."

Colossians 3: 23-24, "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving."

KNOWLEDGE

K is for Knowledge. This is where you reveal what will happen when you partner with Heaven's Kingdom and gain Kingdom knowledge when you follow God's word, will, and ways to bring transformation. If not, what happens when one rejects God's Knowledge?

Hosea 4:6 tells us that God's people are destroyed for lack of knowledge and because we've rejected His knowledge, He will reject us as His priest... (we do not want to be in this camp!)

In Matthew 6: 9-10, Jesus told us to pray this way, "Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as it is in heaven."

Partner with Heaven's Kingdom: Matthew 6:33, "Seek first the Kingdom of Heaven and His righteousness; then all these other things will be added unto you."

Share here what you have to offer that brings more of Heaven's revelation, reformation, and transformation into their own workspace, marketplace, and beyond.

SUPPORT

S is for support. This is where you can mention the different ways they can reach you or find more support resources.

Provide the social media platforms.
Provide your website address.
Provide your mailing address.
Provide your phone number.
Provide your top 5 research #hashtags
Etc...
